Proposal Letter

Ref: FM/INT/AUG2025/0201

Date: 26 AUG 2025

Dear Principal / HOD,

Greetings from **FortuMars AI Technologies and Business Solutions (UK)!**

Sub: Proposal for 60-Day International Internship & Career Development Program – Reg.

It gives us great pleasure to present to your esteemed institution a unique **Global Internship Opportunity** designed to empower ambitious students with professional skills and global exposure.

About FortuMars

Established in **2017** and **rebranded under the new identity in March 2025**, FortuMars is a UK-based **multinational startup** with operations across the globe and expanding base offices in India. We specialize in **Artificial Intelligence, IT Services, Business Consulting, Digital Transformation, and International Business Development**, catering to leading organizations worldwide.

As part of our commitment to nurturing young talent, we are offering a **60-Day International Internship Program** every quarter to nearly **200 students**, ensuring daily structured learning and exposure to international platforms.

Internship Positions Offered

--------------	---	------	--

We are confident that this initiative will significantly **enhance your students' professional skills, international exposure, and career prospects**. If convenient, we would be happy to arrange a **Google Meet session directly with your students** to explain the program in detail. We look forward to your positive response and to building a strong collaboration with your institution.

Thank you - *FortuMars*
