Message from The Hon'ble Vice-Chancellor

It gives me great pleasure to welcome all the aspiring students and their parents to Rani Rashmoni Green University (RRGU) for the academic session 2026-27.

RRGU is a state-aided university established in 2018 with a mission to facilitate social and cultural changes necessary for creating a sustainable world through education. We are working towards a long-cherished dream: building a world-class university with curricula that would enable sustainable development and a campus nurturing environmental sustainability. We believe education must pave the way for a cleaner, healthier, and safer planet.

At RRGU, we believe that education is not merely the acquisition of knowledge but a transformative journey to foster creativity, critical thinking, ethical values, and social responsibility.

RRGU has been offering PG programs in Bengali, English, Agricultural Marketing and Management Business Administration, Library and Information Science, Journalism and Mass Communication, Anthropology, Medical Laboratory Technology, Computer Science, Nutrition and Public Health, Fishery Science, Mathematics. This reflects the trust reposed in our commitment to quality education.

In a short span, our students have made us proud. Twenty-seven students from Chemistry, Environmental Science, Computer Science, Nutrition & Public Health, Bengali, and English have secured high ranks in CSIR-NET and WB-SET. Students from the Department of Chemistry have been selected for Ph.D. and M. Tech. at premier institutions like IIT Hyderabad, IIT-BHU, JNCASR, IACS, and BITS Pilani. Several graduates are now placed in reputed multinational organizations.

The construction of our academic building is progressing in full swing. In the days to come, our campus will feature energy and water-efficient buildings, classrooms, and laboratories.

At RRGU, excellence in learning, research, and innovation remains our driving force. We are committed to nurture leadership qualities in our students while inculcating a deep sense of responsibility towards the environment and empathy for the marginalized and disadvantaged sections of society.

I warmly invite you to become a part of the Rani Rashmoni Green University family and embark on a journey of discovery, excellence, and lifelong learning. Together, let us shape a brighter and greener future.

I wish all prospective students every success in their academic pursuits and look forward to welcoming you to our campus.

Prof. Amiya Kumar Panda
